# Information

Dear Parent/Carer,

Your child has shown an interest in music tuition, in this leaflet you will find the details about the music tuition that we offer and the cost. Please can you sign, date and return the permission slip. Please note that lessons cannot commence without payment. The timetables will be drawn and an invoice will be sent to you at the start of each term.

Mr Stone  
Music Subject Leader

## The Lessons

Each child will receive a 20 minute lesson, which may be shared with up to two other pupils. Your child will receive a minimum of 30 lessons. (10 per term). If you provide a mobile phone number the school can contact you each time your child misses a lesson.

## Teachers

The lessons are taken by experienced music teachers. All staff have a current CRB/DBS check and they are regularly monitored. There will be a report on student progress once a year. Any concerns should be addressed to the Blandford School Music staff.

## Costs & Expectations

### Students

Your child is expected to:

- Attend every lesson, sending an apology if they are unable to attend.
- Come ready for the lesson having prepared adequately from the previous lesson/homework.
- Arrive on time for lessons.

### Cost

Music lessons are considerably subsidised by the school budget. The current cost to you is as follows:

Keyboard, Brass, Woodwind, Guitar, Strings and Piano

Up to £8 per lesson depending on numbers

Drums

Up to £8 per lesson depending on numbers + a small charge for the use of the school drum kit

The school has a limited stock of instruments that can be made available.

**Lessons will not commence each term until full payment has been received.**

### Expectation

There is an expectation that in return for the subsidised cost of lessons, students will take part in the 'music life' of the school. Many extra curricular activities and clubs take place each year, and taking part in these will enrich the musical skills they are learning in their lessons as well as developing their interpersonal skills.

### Instrument Hire & Purchase

On the back panel of this leaflet you will find some useful contacts both for the hire and purchase of instruments. The school can also assist parents through the 'School Assisted Purchase Scheme' that allows parents of children receiving music tuition to purchase an instrument through the school finance department and claim the VAT back. For more
