Dear Parents/Guardians

I would like to inform you of our procedures should the school need to close due to adverse weather conditions, power failure, heating problems etc.

Heart (102.3 FM), Wave (105.2 FM) and Breeze (96.6 FM) offer a service to schools, you are asked to listen to these radio stations as they are our first point of contact in getting the message across to students and parents. Information with regard to school closure will be given out at half hourly intervals during their breakfast show from 6.00 am until 9.00 am daily.

As you can appreciate our telephone lines get quite jammed in situations such as this so if you are able to listen to the radio then it would be very helpful. In addition, our school website, Facebook page and Dorset Council will inform you if school is closed. The website addresses are:-

www.blandfordschool.org.uk

Please be assured the school will only close if it is absolutely necessary.

Yours sincerely
